

Run For Research “Direct Connect” MS Support Group Network To Start Up in April...

Raising funds to help find a future cure for multiple sclerosis is what you know us best for. It is equally important we directly aid MS patients who are suffering daily.

Run For Research has passionately put into alignment everything necessary to facilitate a new kind of patient affordable, innovatively interactive, and uplifting support group network program entitled **Direct Connect**.

When: The second Tuesday of every month starting April 10th, 2018

Time: 10am - noon

Where: The Silverman Gallery-Bucks County Impressionist Art
4920 York Rd., Holicong, PA

The art gallery distinctively and purposefully provides a bright and inspirational environment where participants will be able to express themselves both verbally and through movement. Our aspiration is to encourage patients to make connections within themselves and with others via social, therapeutic, educational and recreational activities and resources. The ultimate aim is to give MS patients the tools that will motivate them to better the quality of their lives.

Living with MS I personally know how hard it can be emotionally, spiritually and especially physically. The day-to-day uncertainty and unpredictability of one’s mobility, sight, balance, cognitive and motor skills, other major central nervous system functioning, and the ungodly relentlessness of pain and fatigue are just some of the challenges of an MS diagnosis. As founder of Run For Research it fills me with great pride and hope knowing the monumental benefits **Direct Connect** will present for so many persistently struggling with this dreadful disease.

We need your help to make it happen... I am reaching out to you to please *sponsor the full year or contribute what you can to help fund the **Direct Connect** MS support group activities and resources listed below. Your dollars are crucial to their existence.

*[*sponsor appreciation option: we will print and post your name or company logo via **Direct Connect** marketing/advertising materials and social media campaigning]*

Round Trip Patient Transportation: \$195/month or \$2340 full year

Yoga Specialized for MS: \$208.33/month or \$2500 full year

Shiatsu-Eastern Medicine Body Relaxation Therapy: \$150/month or \$1800 full year

Educational Presentations: \$125/month or \$1500 full year

Laurel Nobilis Arabians, LLC Horse Farm Trips: \$1000

To be able to provide the invaluable services outlined above in time for the April 10th group start date, we graciously ask you send in your charitable full year sponsorship or contribution check by March 31st. **Please make all checks payable to: Run For Research and send to: PO Box 2744, Warminster, PA 18974.** In the interim, it would be greatly appreciated if you could inform me of the resources/activities you kindly wish to back and the dollar amount you generously will be donating. My cell # is: 267-446-5110 or email: karenlynd@comcast.net.

**A special thanks to Blue Grass Lawn Service & Landscaping of Ivyland, PA for fully sponsoring \$1800 to cover the yearly food and supplies cost.*

Together, we can make a dramatic difference in the lives of the chronically ill.

From the bottom of my heart, I “thank you!”
-Karen
